Dear

Hot dog! I just heard the most wonderful news
and boy oh boy, did it make my day...

You're coming to visit me and all my pals in
Disneyland® Paris!

We're already counting down the days until your
arrival where we'll be waiting with big smiles
and even bigger surprises.

I know your trip is going to be filled with
magic, laughter and memories that sparkle
brighter than Tink's pixie dust.

We can't wait to see ya real soon!

Your pal,
MICKEY MOUSE

See You Soon!
